## FRIDAY LETTER

Dear Parents and carers,

### **Walking Award**

Crookhill Primary have been awarded a 'Walking to School' trophy as we have over 50% of our school community walking or being active on their journey to school every day.

Walking to school is good for our health, fitness and the environment and with less cars on the road, it will become safer too.

Most classes at Crookhill have about a 65% average for walking to school. Can we get to 70%?

The government have targets to get more people walking to school and we are ahead of that target already.

Did you know at peak times 1 in 4 cars on the road are doing a school run?

Remember, you can always park at the Runhead pub or the Castle and then walk the rest of the way to school. Keep it up Crookhill, you're amazing!

### **Thursday Football**

After a long winter break, the Year 5/6 football team were back in action along at Ryton Juniors. The weather was considerably better than when the fixtures had originally been scheduled for, before Easter and the team were in good spirits as they took to the pitch in their first game against Greenside. It was a close game with chances at both ends but Greenside just edged it with a 1-0 victory. No time to get down heartened though as we were straight back into action against Stella. The goals were proving hard to come by and despite dominating the play, this one ended in a 0-0 draw. The final game of the evening was the game of the night! Despite going 1-0 down early on, the game ended in a 2-1 victory thanks to a brace of goals from Reo B. It was great to see the team supporting and encouraging each other and enjoying themselves too. With only one round to go, it's very tight in the league and there's plenty to play for next week.

Enjoy your weekend and we'll see you all on Monday.

Yours sincerely,  
Miss K McCormack  
Head Teacher
