## FRIDAY NEWSLETTER

Dear parents and carers,

### **Restart a Heart**

On Tuesday, Jack from the NUF came to school to work with the children in Year 5/6 on basic resuscitation and how to use DRSABCD safely. They learnt a little about the heart and the difference between a heart attack and cardiac arrest, before moving onto each part of DRSABCD.

Danger  
Response  
Shout  
Airway  
Breathing  
Circulation  
Defibrillator

They used resuscitation dummies to practise the main parts, including chest compressions and were shown how a defibrillator works. They also recapped how to call for an ambulance.

All children listened and responded really well. Well done to all.

### **Bike It**

Our Year 4 children took to 2 wheels again yesterday morning with some of them venturing outside. The Bike It Team have been extremely impressed by the behaviour of our pupils and their attitude towards cycling, well done Year 4!

### **Road Safety**

Year 3 were back outside in their high visibility vests yesterday afternoon, practising road safety in the rain! Once again, the safety team have commented on how focused and well behaved our children are, I never tire of hearing comments such as this. Well done Year 3.

### **Christmas Fayre**

It was our Christmas Fayre this afternoon and it was lovely to see so many parents and children visiting Santa Claus in his grotto and enjoying the many stalls on offer.

**Working together, we succeed**

## Christmas Dates

A reminder of the exiting events still to come in the last two weeks of term.
