FRIDAY LETTER

Dear Parents and carers,

Fuzzy Mental Health Workshop

Year 4 took part in an interactive mental health workshop yesterday. There was a lot of laughter and happy chatter as Fuzzy the puppet entertained the children. The focus of the workshop was the importance of looking after our own mental health and physical well-being, of having aspirations for when we grow up and goals and targets to aim for. We hope Year 4 enjoyed the session, why not ask them about Fuzzy the puppet, I'm sure they'd love to share their learning with you.

Celebration Assembly

This morning we had our Celebration Assembly and it was wonderful to hear our pupils congratulating each other on their achievements. From Stars of the Week, House Points and Pen licences, to being a jolly good friend, it was a lovely event and a super way to say well done, to everyone who has excelled this week.

Gong Hei Fat Choy (恭喜發財)

Many of our classes looked at the traditions surrounding the Lunar New Year or Chinese New Year today. 2025 is the year of the snake and some of our pupils made beautiful lanterns and other classes created various colourful snakes in lots of beautiful designs. The children in Year 6 did a quiz to mark the day and they also made New Year cards to wish their friends and families prosperity and good fortune. Check out the pictures of our day on our Facebook page.

Year 6 SATs Meeting

Thank you to the few parents who came along to the Year 6 SATs session last night, unfortunately it was not a very good turnout. If you were unable to attend, all of the information will be put on the Year 6 page of the school website.

Have a good weekend and we'll see you all on Monday.

Yours sincerely,
Miss K McCormack
Head Teacher

Working together, we succeed
