FRIDAY LETTER

Dear Parents and carers,

Vex Robotics Champions!

Miss Hedley and her pupils from the Vex Robotics Club went to Nissan in Sunderland on Thursday to take part in the VEX GO ROBOTICS Competition. Our team of eight were competing against 18 other schools, showing their skills in coding, robot building and modifying their entry. I am absolutely delighted to tell you that the Crookhill team came joint first!! They should be super proud of themselves for working so hard, well done to all.

Parent Reminders

Can we remind parents that all children need to bring a hat, water bottle and sun cream during such hot weather to keep everyone as safe as possible. Can we also ask that toys remain at home please, this includes pokemon and other trading cards and toys that are attached to school bags.

We are aware of the amount of traffic and parked cars outside of school during busy times. Can we ask parents to be patient, drive with caution and if all possible, make the journey to school on foot. Thank you for your support.

Flu Immunisation Programme – November 2025

Once again Crookhill Primary will be taking part in the flu vaccination programme. This is in place to help protect your child against flu, help prevent them catching the flu and also help protect vulnerable friends and family by reducing the spread of flu. This is delivered via an intra-nasal flu vaccine and is available for all children from Reception to Year 6.

The online consent can be accessed via any online device. Please click on the following link

<https://www.northumbriaimmunisations.co.uk/Forms/Flu> which will direct you to an online consent form for you to complete using the following school code **NB108366**

If you do not want your child to receive the flu vaccination, please complete a non-consent, this can be completed on the same form by selecting NO this will also stop any further communications from our team.

Working together, we succeed
