13th June 2025

FRIDAY LETTER

Dear Parents and carers,

Flu Immunisation Programme – November 2025

Once again Crookhill Primary will be taking part in the flu vaccination programme. This is in place to help protect your child against flu, help prevent them catching the flu and also help protect vulnerable friends and family by reducing the spread of flu. This is delivered via an intra-nasal flu vaccine and is available for all children from Reception to Year 6.

The online consent can be accessed via any online device. Please click on the following link

<https://www.northumbriaimmunisations.co.uk/Forms/Flu> which will direct you to an online consent form for you to complete using the following school code **NB108366**

If you do not want your child to receive the flu vaccination, please complete a non-consent, this can be completed on the same form by selecting NO this will also stop any further communications from our team.

Out and About

Miss Hedley and Year 5 visited the Great North (Hancock) Museum, yesterday. They explored the exhibition on the ancient Greeks, experienced the planetarium and then discovered everything else this wonderful museum has to offer. The children and staff travelled by public bus and were wonderfully behaved throughout and a credit to Crookhill Primary.

A Busy Week

Our pupils have been super active this week, enjoying lots of sporting activities. Year 3 and 4 took part in cricket sessions with Coach Romesh on Monday afternoon. Years 5 and 6 have thrown themselves into rugby with the All-Stars Ruby Coach and Newcastle Falcons and NUF Coach Jack has delivered great sports lessons to Reception, Year 1, Year 4 and 6. Hopefully this fine weather will continue so we can enjoy exercising in our wonderful green spaces.

Park Update

You will have noticed that the space intended for our new play equipment has been cleared ready for installation. After a bit of a false start, we hope work will begin very soon. We will keep you updated.

Working together, we succeed
