

FRIDAY LETTER

WORLD BOOK DAY

Everyone had a super time celebrating World Book Day at Crookhill. We started the day with a whole school assembly where we could all admire the many reading related costumes on display. Then it was book quizzes, online lessons, competitions and many other reading related activities throughout the day. Don't forget, there's still time to spend the £1 book voucher and get one of the World Book Day books for free!

COMING UP NEXT WEEK...

BRITISH SCIENCE WEEK

9th-13th March 2026

Next week, we will celebrate British Science week in school. This year's theme is, **'Curiosity- what's your question?'** Children will have the opportunity to take part in lots of different Science—related activities throughout the week, including a fun, interactive Science workshop from 'Professor Brainstorm!' We will also be running a poster competition and a fantastic gadget pop-up shop selling items ranging from 50p to £2.50.

HOME / SCHOOL COMMUNICATION:

At Crookhill Primary School, we value our relationships with parents and families and recognise the importance of working together. If you have a concern about your child, please contact school to discuss or make an appointment. Our Home-School Communication policy can be found on the school website:

<https://www.crookhillprimary.org/page/?title=Policies&pid=18>

The Ryton Rockets Basketball Club are looking for players. See details on the poster if you're interested in trying out a new sport.

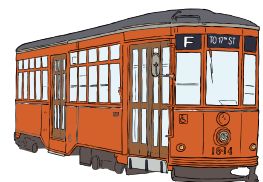

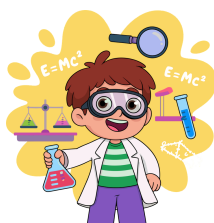

Our school football team will return to action on **Thursday 26th March** with round two of their league campaign taking place at Ryton Juniors. Further details to follow next week. We hope to get training underway - as soon as our grass cutting team have been to tidy up the field we'll let you know!
