Use of the park after school

The 7-a-side squad in action for the first time this season

New season kicks off for our football team

Our football team were in action for the first time this season as they took part in the County Cup games, giving our new squad a great opportunity to play together competitively for the first time.

The evening began with a closely fought 1-1 draw; St Agnes took the lead before Crookhill battled back and equalised from the penalty spot (LB with his long awaited first Crookhill goal). The next three games proved tough and, despite creating some good chances, all ended in defeat. However, it was fantastic to see the team's confidence growing as the evening went on. In the final game, everything came together with an excellent 1-0 victory over Winlaton. Miss Brown's switch - AR from defense to attack - proved to be a master stroke as he coolly slotted home from just outside of the box. A great first goal! We look forward to the league season starting very soon.

Sharing Concerns - Reminder

We would like to remind parents and carers that if you have any concerns or worries regarding your child or anything to do with school life, please do share them with a member of staff. We are always happy to listen and work together to address any issues. You can speak directly with your child's class teacher or contact the school office, to arrange an appointment.

Harvest Festival

As part of our Harvest Festival celebrations, we will once again be collecting donations for The People's Kitchen.

Donations can be brought into school during the week beginning 28th September. We would be very grateful for any contributions of non-perishable food items, such as tins, packets and dried foods.

Tickets for the two performances are limited to two per family (you may only attend one performance) and will go on sale next week from Thursday. Just call into the office. Tickets are £1 each.
